I'm wondering why this one is taking sooooo long! We're already beyond the due date but according to the employee, there should be NO responsive records. Is it because of "domain" names.?

Nice of them to keep us informed!  
(another example of why I'm just a middle person not adding value) (snif snif)

Good Afternoon,

Your request is currently in our processing queue. Barring any unforeseen obstacles such as network issues, the estimated completion date for your request is 6/8/2017. We will keep you posted if there are any changes.

Please let us know if you have any further questions.

Thank you,  
Discovery Service Team
